## Haines Borough School Graffiti Threat Update

The investigation has identified the individual who authored the threat.

At this time, we are decreasing our security presence at the school.

Officers will continue to work with school administration and external agencies to support the investigation.

So far, the investigation has determined that there is **NO** active threat at the school.

At this time, I am not at liberty to provide more information. I respectfully understand that the community wants more details.

We will provide those details later if that becomes appropriate.

I want to thank the community for their patience and support and the school staff for the professionalism and due diligence demonstrated during this incident.

Also, thank you to the officers for being available to the students and staff this week.

Feel free to contact this office if you have any questions or concerns.

V/R,

Sgt. J. Dryden
