

HAINES BOROUGH
D-1, Maintenance Sand, & Pit Run
Public Works

Information for Bidders

The Haines Borough is soliciting bids from suppliers to provide D-1, sand, and pit run materials as needed by the Haines Borough Public Works Division for the period May 29, 2013 through May 31, 2014. Each item should be bid separately on the forms provided. The bids may be submitted together in the same envelope. Bids shall be submitted in a sealed envelope and clearly marked "**Sealed Bid - 2013-2014 D-1/Sand/Pit Run**". Fax or e-mail submissions will not be accepted. Bids shall be addressed and delivered to:

Haines Borough
Attention: Borough Clerk
P.O. Box 1209
Haines, AK 99827

Bids will be accepted until 4:00 p.m. on Friday, May 17, 2013. Documentation of receipt of bids will be made by the Borough Clerk or Deputy Clerk when delivery to the Borough Administration office is made by U.S. mail or hand delivery.

Questions may be directed to the Public Works Superintendent, Ralph Borders at (907)766-2282 or by email at rborders@haines.ak.us.

All bids must be made on the required forms supplied by the Borough. The forms must be fully completed and signed when submitted. Two originals of each bid proposal form are required to be submitted.

The Borough reserves the right to waive any informalities or minor defects, or reject any or all bids. The Borough also reserves the right to negotiate with each low bidder. Any bid proposal may be withdrawn prior to the above scheduled time for the opening of proposals or authorized postponement thereof. Any bid received after the time and date specified shall not be considered. No bidder may withdraw a proposal within 30 days after the actual date of the opening thereof. Should there be reasons why the contract cannot be awarded within the specified period, the time may be extended by mutual agreement between the Borough and the successful bidder.

Bidders must acknowledge the receipt of any addenda in the space provided on the proposal form. A bid that contains a substantial condition or qualification may be rejected.

Each bidder is responsible for reading and thoroughly understanding the bid documents. The failure or omission of any bidder to do any of the foregoing shall in no way relieve any bidder from any obligation with respect to its bid proposal.

Hereinafter, the successful bidder who receives an award shall be referred to as "The Supplier."

BILLINGS: All billings shall be made directly to the Haines Borough. Invoices shall be in duplicate. Prices quoted are to be valid for the contract period and shall include the cost of delivery which is described below.

DELIVERY: Delivery shall be made to the Public Works Shop Yard on Union Street after May 28, 2013, as directed and authorized by the Public Works Superintendent through May 30, 2014.

RETURNS: All goods or materials purchased herein are subject to approval by the Borough. Any rejected items, goods, or material resulting because of non-conformity to the terms or specifications of the procurement contract, whether held by the Borough or returned, will be at the Supplier's risk and expense.

D-1, Maintenance Sand, & Pit Run - Public Works – 2013/2014

INFORMATION FOR BIDDERS – Page 2

NEW ITEMS: The Borough reserves the right to add new items to the basic contract as awarded when such new items are offered within the same general quality and design as detailed herein. Such additions shall be negotiated by the Borough and the Supplier and shall be comparably priced to those under the existing procurement contract.

INSPECTION: The Supplier's D-1 material and maintenance sand will be subject to two gradation tests prior to delivery. Samples for the tests shall be taken at the Borough's direction and shall be analyzed by an independent laboratory. The Supplier shall pay the cost of shipping and testing the samples. The Borough reserves the right to inspect all materials offered, including the pit run. Such inspections will require sampling of offered materials. By signature affixed to this Invitation to Bid, the bidder / supplier agrees to provide samples in the manner prescribed by the Borough.

COMPLIANCE: The Supplier must comply with all applicable federal and state labor wage/hour, safety and associated laws which have a bearing on the contract and must have all licenses and permits required by the state and/or municipality for performance of this service.

QUANTITY AND BID AWARD: Estimated quantities:
D-1 Material: 500 – 1,000 cubic yards
Maintenance Sand: 500 - 1,000 cubic yards
Pit Run Material: 1,500 yards

Each item will be awarded separately to the responsive and responsible bidder with the lowest bid amount per (cubic) yard.

The procurement contract award and actual volume of material purchased by the Borough are contingent upon: 1) an appropriation to fund the purchase of material, and 2) the Borough's need for material.

Insurance Requirements

Without limiting the Contractor's indemnification, it is agreed that the Contractor shall purchase at its own expense and maintain in force at all times during the performance of services under Contract the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the Contractor's policy contains higher limits, the Haines Borough shall be entitled to coverage to the extent of such higher limits. Failure to maintain insurance is a material breach and grounds for termination of the Contractor's services.

- (a) **Worker's Compensation Insurance:** The Contractor shall provide and maintain, for all employees of the Contractor engaged in work under this Contract, Worker's Compensation Insurance as required by AS 23.30.045. The Contractor shall be responsible for Worker's Compensation Insurance for any subcontractor who directly or indirectly provides services under this Contract.
- (b) **General Liability Insurance:** The Contractor must maintain General Liability Insurance in an amount sufficient to cover any suit that may be brought against the Contractor. This amount must be at least five-hundred thousand dollars (\$500,000) combined single limit. The Contractor must assume all insurable risks and bear any loss or injury to property or persons occasioned by neglect or accident during the terms of this Contract, except for sole negligence on the part of the City.
- (c) **Comprehensive Automobile Liability Insurance:** Covering all vehicles utilized in connection with this project with coverage limits not less than \$100,000 per person, \$300,000 per occurrence bodily injury, and \$50,000 property damage.
