

HAINES BOROUGH

HAINES, ALASKA

PUBLIC NOTICE

Scheduled Water Outage

The Water Department will be performing maintenance to the FAA water main on April 26, 2017. All residences connected to the main south of the FAA and Tower Road intersection will experience an interruption in service while work is being performed. Water will be shut off starting at 9am on April 26th and is expected to be restored by 5pm the same day. Crews will work as quickly as possible to restore service.

Once water pressure is restored, maintenance personnel will flush the system. Residences may see a slight discoloration in their water during this time. Please allow facets to run until the water is clear.

Please see the attached map for properties that are affected.

If you have any questions or concerns, please call the facilities director at 907-314-0173.

Thank you for your patience and we are sorry for this interruption.
